

## **GOD SET UP ALL THINGS**

***Psalm 74:17 It was you who set all the boundaries of the earth; you made both summer and winter.***

*Winter is here and spring is coming soon. Buds on plants start to show, and some flowers start to bloom. This Bible verse mentions God created summer and winter. This psalm was actually written during the people of Israel in captivity. The people were taken captive into foreign places, and the temple in Jerusalem was destroyed. They were sad and were discouraged. However, the psalmist remembered God and prayed to God. The psalmist remembered God's almighty power in creation and had set seasons on earth. We know today God set the distance between the earth and the sun and the tilt of the earth (23.5 degree) that bound the summer and winter weather suitable for us to live. Of course, God has the power to protect you and me, and He does. In addition, He sets all things up to suit us, from our daily life's needs to the conditions and degree of difficulty in our battles/challenges in life.*

*God controls everything in the universe and set the boundaries. If an event is not in His will or something that He doesn't allow to happen, it will not happen. In summary, remember God regardless of your present situation; trust and follow Him.*
