

FISHERS OF PEOPLE

Matthew 4:19 "Come, follow me," Jesus said, "and I will send you out to fish for people."

Seeing a shoal of fish swimming freely in water reminds me of this Bible verse about fishers of men. Jesus called His disciples to follow Him and be fishers of people.

- 1) Fisher of people: Jesus called Peter and Andrew. They were fishermen. They understood what it means to catch fish. They knew about the concept of catching fish but not about bringing people to believe in Jesus. Jesus used Peter and Andrew. In the same way, Jesus can use you regardless of your race, background, or profession as long as you are willing.*
- 2) Follow me: Jesus called His disciples to follow Him. He calls each of us today. We don't know God's will and the method to evangelize. But when we follow God closely, God gives us the wisdom and love to bring people to Him.*
- 3) Send you out: Jesus sends each of us out to do His work. In Matthew 28:18-20, Jesus sent out His disciples to evangelize and make disciples. In the same way, Jesus calls and sends each of His disciples (you and me) to spread the Good News and make disciples.*

Are you willing to follow Jesus and be diligent to His calling?
