

# **GOD IS ALL POWERFUL AND THE SOURCE FOR WISDOM**

*Leaves begin to change color in autumn. God can change times and seasons as stated in Daniel 2:21. He is a powerful God. He created the universe. He can depose kings and raise up others. He is also the God of wisdom. He made all things work perfectly in the universe. This was Daniel's praise to God. We should praise God often as well.*

*The book of Daniel, chapter 2, describes the time Daniel was in a critical moment to get the dream of King Nebuchadnezzar interpreted. He was brave enough to ask the king for a little more time. He then asked his friends to pray together. They asked God for the interpretation. God answered Daniel and gave him the interpretation. When we are stuck with a critical issue in a critical moment, we should act like Daniel. We need to face the situation bravely. Also, we should ask God for wisdom and direction. God is the God of wisdom and mercy. God will provide you with the solution. We need to have faith in God.*

Daniel 2:21 He changes times and seasons; he deposes kings and raises up others. He gives wisdom to the wise and knowledge to the discerning.

**Remember to praise God and to pray for power and wisdom!**
