

GOD'S INVISIBLE QUALITIES

Romans 1:20 For since the creation of the world God's invisible qualities—his eternal power and divine nature—have been clearly seen, being understood from what has been made, so that people are without excuse.

This photo shows the magnificent scene of God's creation. The blue sky at the top, dark blue color ocean in far distance, the green sea near the shore, powerful white waves hitting the beach, brown color sandy shore and the white & grey color birds flying freely in the sky. Look around. Then, one can perceive God's invisible qualities.

1. God's eternal power – His intelligent creation and His power to control and sustain all things are clearly seen. Job 12:10 states "In his hand is the life of every creature and the breath of all mankind."

2. God's divine nature – We know He is God. Besides His eternal power, He loves His creation especially human that He made us in His image. He protects, provides and sustains us. In addition, God (Jesus) died for our sins so that we can have eternal life by believing Him.

3. No excuse, no excuse – The first "no excuse" is we need to acknowledge He is God. Each one has to accept Jesus as one's Savior and Lord. The second "no excuse" is an extension. We have no excuse of not thinking about Him, praise Him and live a life that glorify Him daily.
